## Eye Treatments

### Pre / Aftercare Advice

#### Eye Lash / Brow Tinting/ Perming

- ✓ A patch test will be necessary 24 hours before these treatments if you are new to the salon or haven't visited in the past 6 months.
- ✓ **Avoid rubbing the eyes.**
- ✓ Avoid heat treatments for 24 hours.
- ✓ **Avoid sunbathing for 24 hours, as this can fade the tint.**
- ✓ Avoid putting your contact lenses back in for the rest of the day.
- ✓ **Avoid make-up or receive any other eye treatments for at least 24 hours after your treatment., with the exception of lash extensions.**

#### Lash Extensions

- ✓ Avoid picking or rubbing the eyes.
- ✓ **Avoid submerging in water for the first 24 hours.**
- ✓ Avoid the use of mascara as this can damage the bonds.
- ✓ **Avoid oil based products in the area as this can remove the lashes.**
- ✓ Gently pat dry after washing, avoid using cotton wool as this can stick to the lashes
- ✓ **Return for infills every 2-3 weeks to maintain look.**
